16. Any review of staffing agreed by the personnel committee is first referred to the finance committee who assesses the budgetary implications of the recommendations and advises the governing body accordingly.

18. The headteacher authorises virements up to £1,000. Above this amount finance committee approval is sought. All virements are minuted.

Key Financial Tasks

23. The finance committee undertake the key financial tasks each term as outlined in the document at **Appendix C**.

B FINANCIAL PLANNING

1. The school development plan includes a statement of its educational priorities to guide the planning process. The school development plan states the priorities in sufficient detail to provide the basis for constructing budget plans.
2. There is a clear, identifiable link between the school's annual budget and the school development plan.
3. For each of the key issues in the school development plan, costs and other inputs are identified and included in the budget plan.
4. The school development plan is reviewed in the spring term to ensure that educational priorities are stated for the next three years and shows how the use of resources is linked to achieving the goals.
5. The school budget is revised after the review of the development plan and resources identified within the budget to deliver the plan's priorities.
6. The school budget is maintained for the current financial year and at least one further year.
7. The budget is based on realistic estimates of all income and expenditure so that planned expenditure does not differ materially from the agreed budget.
8. The budget and cash flow forecast are profiled in accordance with likely spending patterns.
9. In the event of a budget surplus this is earmarked for a future specified use.
10. A record is maintained of all ongoing commitments with explanations of any significant year-on-year changes.
11. All new initiatives are appraised by the finance committee in relation to their costs, benefits and sustainability.
12. The main elements of the budget are fundamentally reviewed within a three year cycle. Benchmarking information helps to identify priorities.
13. The budget cycle is as follows:

Spring Term

- If necessary, the headteacher prepares a revised budget for the current year for the finance committee to consider at its spring term meeting.
- The budget revision, once approved by the finance committee, is taken to the next meeting of the governing body for governor approval.
- If the budget has had to be revised, it will be sent to the LA by 28 February.
- A draft budget plan for the coming financial year, and at least one further year, is prepared by the headteacher and taken to the finance committee meeting in the second half of the spring term. This will form the basis of the committee's recommendation to the governing body.
- The full governing body meeting is arranged to take place after the meeting of the finance committee. The governing body will carefully consider the budget plan and a report from the finance committee before approving the school's budget plan.
- The headteacher submits the approved budget plan to the LA by 1 May each year.

Summer Term

- The headteacher prepares a revised budget for the finance committee to consider. The revision takes account of the actual balance in hand or overspending for the previous financial year.
- The budget revision, once approved by the finance committee, is taken to the next meeting of the governing body for governor approval.
- The approved budget revision is sent to the LA by the end of the summer term.

Autumn Term

- The headteacher prepares a revised budget for the finance committee to consider. The revision takes account of any changes to the school development plan, staffing adjustments and changes to the number of pupils on roll.
- The budget revision, once approved by the finance committee, is taken to the next meeting of the governing body for governor approval.
- The approved budget revision is sent to the LA by the end of the autumn term.

C BUDGET MONITORING

1. The headteacher produces monthly monitoring reports, which include committed expenditure.
2. The chair of the finance committee receives all monitoring reports, together with the headteacher's explanations, if appropriate. The report takes the form of Norfolk's budget proforma.
3. The headteacher identifies and recommends to the finance committee appropriate remedial action for budget variances.
4. The headteacher recommends to the finance committee how to vire any in-year underspends in excess of £1,000. (The headteacher is authorised to vire amounts up to £1,000.)
5. The headteacher monitors expenditure on initiatives in the school development plan.
6. The headteacher monitors devolved budgets and agrees remedial action plans where necessary.
7. The headteacher produces monthly cash flow forecasts (BCRs) to ensure the school does not go overdrawn.

D PURCHASING

1. All orders comply with the LA's Standing Orders for Contracts as published in Norfolk's Scheme for Financing Schools.
2. The school demonstrates value for money through competitive tendering when appropriate or by using ESPO or other approved purchasing arrangements.
3. Prior approval of the governors is obtained for any expenditure in excess of £1,000.

Orders are not artificially split to evade this limit.

4. The school will not enter into any "finance lease" and will ensure that any lease entered into is an "operating lease".
5. Three written quotations are obtained for any order whose value is estimated between £5,000 and £20,000.
6. If a quotation other than the lowest is accepted it is reported to governors and the reasons minuted.
7. Contract specifications will contain the following:
 - contract duration
 - definitions
 - contract objectives
 - services to be provided
 - service quantity
 - service quality standards
 - contract value and payment arrangements
 - information and monitoring requirements
 - procedure for disputes
 - review and evaluation requirements
8. The official pre-numbered orders are used for all services except utilities, rent, rates, petty cash and any payments due under a loan/lease agreement. Any urgent verbal order is confirmed by a written order.
9. Individuals will not use official orders to obtain goods or services for themselves.
10. All orders are signed by the Headteacher.
11. The signatory will be satisfied that the goods or services are appropriate and necessary, that competitive tenders have been obtained where necessary and that there is sufficient budgetary provision.
12. Each order placed is entered in the school's financial system as a commitment.
13. The school checks goods received against the delivery note and the delivery note is checked against the invoice. The invoice is also checked against the order. Evidence of this is provided by the use of rubber stamps approved by Norfolk Audit Services. The other checks indicated on the stamps are also carried out. These checks are not done by the person who signed the order.
14. Payment is made within the agreed time limits after certification by an approved signatory.
15. As a small school we are aware that preferably an invoice should not be authorised for payment by the person who signed the order nor by the person who checked receipt of goods/services, however we are not in a position to be able to do this. Payment is only made against the original supplier's invoice and not on a statement.

E FINANCIAL CONTROLS

1. The school uses the recommended financial systems approved by the LEA, i.e. Star Accounts, School Fund Account and Dinner Money Database. These are kept up to date and all appropriate staff trained in their use.
2. The headteacher has secured contingency arrangements to ensure that financial control can be maintained in the absence of key staff. These arrangements are that if the headteacher was absent the deputy would authorise decisions. If the administrator was absent support would be sought from the LA.
3. The headteacher is aware that ideally there should be separation of duties in organising financial duties and also that at least two people are involved in the

completion of tasks and the work of one acts as a check on the work of the other. However, being a small school we are not in a position to be able to do this.

4. The school maintains proper accounting records. All transactions can be traced from accounting records to prime vouchers and all prime vouchers are traceable in the accounting records. The use of correcting fluid is not allowed. Any alterations to original documents are clearly made in ink and initialled to identify the person making the alteration.
5. Documents relating to financial transactions are retained in line with the LA's recommendations, as outlined in **Appendix D**.
6. All records are securely stored and access allowed only to authorised staff, ie the administrator, headteacher or deputy head.
7. Where there is a requirement to account separately for earmarked funding the headteacher ensures this is done and that money is spent on its intended purpose.

F INCOME

1. The full governing body approves the school's charging policy and reviews it annually. The charging policy is attached at **Appendix E**.
2. Proper records of all income due are kept. Lettings are approved by the headteacher. The lettings policy is attached at **Appendix F**.
3. The headteacher is aware that ideally the responsibility of identifying and recording sums due is separated from the responsibility for collecting and banking income, however we are a small school and this is not possible.
4. Receipts are given for all cash collected except where a record is kept for a pupil, e.g. instalment payments for a school trip. Other formal documentation is kept for other income. Receipts are kept securely and in order.
5. Pending banking, cash and cheques are locked away.
6. Income is banked promptly and in full. Paying-in slips show the analysis between cash and cheques and cheques are individually listed. Income is not used for making any payment or for cashing personal cheques.
7. Income recorded in the accounts is reconciled monthly with the bank statement.
8. Where invoices are required, they are issued within 30 days.
9. The school sends a first reminder for any unpaid invoice after 3 weeks, a second reminder after 6 weeks and a final reminder after 9 weeks. Legal action is considered if a further 14 days lapse. Debts are written off only if authorised by the headteacher and/or governors as per our **Bad Debt Policy – Appendix G**.

G BANKING

For official funds, the school banks with Barclays. The bank account name is NCC Alpington & Bergh Apton CE VA Pri. School-Imprest a/c and the bank account number is 70668451.

1. Bank reconciliations are completed monthly and any discrepancies resolved.
2. The reconciliation statement is signed by the person undertaking the reconciliation and reviewed and countersigned by someone who understands the reconciliation process.
3. The headteacher is aware that ideally the person completing the reconciliation is not

responsible for processing receipts and payments, however we are a small school and this is not possible.

4. The headteacher is aware that ideally staff should not use their private bank accounts for any receipt or payment due to or from the school budget. However there are circumstances where there is permissible, e.g. the school caretaker buying equipment which has been approved by the Headteacher.
5. The school's banker has been advised that the school is not allowed to go overdrawn or negotiate overdraft facilities.
6. The school is not allowed to enter any loan agreement except with the LA.
7. Each cheque is signed by two authorised signatories and supporting vouchers are made available to each signatory to safeguard against inappropriate expenditure. Cheques are not pre-signed. Only manuscript signatures are allowed.
8. All cheques are crossed 'account payee'. Cheque books are stored securely when not in use.

Where schools use online payments through their bank:

9. Headteachers must ensure that the correct staff are assigned the access rights within the banking online system that is appropriate (considering separation of duties) and ensure that these are kept up to date i.e. staff leavers.
10. Online users/cards/Pin numbers are specific to named staff and must not be shared with others.
11. Schools must adhere to the policies laid down by their banker in respect of online payments and ensure that the data protection act is not breached in regards to holding suppliers bank information.
12. Supporting vouchers are made available to each authoriser to safeguard against inappropriate expenditure.

H PAYROLL

1. Personnel procedures, including appointments, promotions and terminations are supervised by the personnel committee.
2. The headteacher ensures that the duties of authorising any variations to the payroll are separated from the processing of claims.
3. The headteacher is aware that ideally at least two people are involved in completing, checking and authorising any variations to payroll, whether temporary or permanent, and the payment of expenses, however we are a small school and this is not possible.
4. Names and specimen signatures of authorised signatories have been sent to the payroll provider who will be promptly notified of any changes.
5. Only authorised staff are allowed access to personnel records, ie headteacher, assistant headteacher, administrator.
6. Staff may have access to their own records with the consent of the headteacher, or assistant headteacher or administrator.
7. Payroll transactions are processed only through the payroll system; this includes the payment of all expenses and benefits.
8. The headteacher maintains an up-to-date list of teachers and other staff employed at

the school and this is amended as necessary.

9. The monthly reports on payroll transactions are checked against the schools' budget working papers to ensure they match.

I PETTY CASH

1. Staff coffee and tea money is held by the school administrator.

J TAX

1. The headteacher ensures that all relevant staff are aware of relevant provisions concerning VAT, tax and the Construction Industry Scheme (CIS) as the LA will pass back to the school any penalties imposed on it arising from an error by the school.
2. Proper VAT invoices are obtained for all transactions involving VAT.
3. The LA's VAT manual for schools gives details of accounting for VAT and is adhered to by the school.
4. All payments falling within CIS are made in accordance with the LA's agreed procedure.

K VOLUNTARY FUNDS – SCHOOL FUND

For voluntary funds (School Fund account), the school banks with The Cooperative Bank. The bank account name is Alington VA School Fund and the bank account number is 50037971 00.

1. The School Fund Account is accounted for separately from the school's delegated budget and is held in a separate bank account.
2. The governors have appointed an independent auditor who is not a member of the governing body. The Auditor is employed by Price & Bailey, 20 Central Avenue, St Andrews Business Park, Thorpe St Andrew, Norwich, NR7 0HR.
3. The same standards that apply to the school's delegated budget apply to the school fund except that it is kept on a receipts and payments basis rather than an income and expenditure basis.
4. Only income unconnected with the delegated budget is credited to the fund. Any income properly belonging to the school's delegated budget is credited to the delegated budget.
5. The headteacher presents the audited accounts together with the auditor's certificate and written report on the accounts to the governors as soon as possible after the end of the accounting year. They are presented to the governing body at their autumn term meeting.
6. The headteacher sends a copy of the audited accounts and auditor's certificate to the LA as soon as the governors accept them.

10. Bank reconciliations are carried out at least termly.

L ASSETS

1. The headteacher ensures that stocks are maintained at reasonable levels and are checked physically at least once a year.
2. An up-to-date inventory is be maintained of all items of equipment. Those that are portable, valuable and desirable are identified as school property with security marking.
3. The inventory is checked at least once a year, in the summer term. The inventory is signed as evidence of the check having been undertaken. All discrepancies are investigated and any resulting in a loss of £100 or more will be reported to the governors. Any loss exceeding £500 will be referred to the Head of Children's Services (Finance & ICT).
4. Whenever school property is taken off site, e.g. musical instruments/computers, they are signed for and the register noted accordingly. The register is held in the school office.

O SCHOOL PURCHASING CARD

The school has a Corporate Purchasing Card with a monthly credit limit of £1,000 (February 2017). The card is issued in the name of "NORFOLK CTY CNCL SCH K REEMAN". The card system is administrated centrally, i.e. by the LA, and the central administrator ensures the monthly bill is reconciled and all expenditure is posted correctly to budget accounts.

The cardholder keeps a simple log of what they bought, where and when. When the monthly statement is received the school administrator verifies it is correct by reconciling it with the things purchased. All logs are examined by the Headteacher who authorises these monthly.

The school administrator is responsible for ensuring VAT receipts are collected where necessary.

The card is kept securely locked in a safe in school.

The school administrator has passed the e-learning "Barclaycard Spend Management & Card Reconciliation Process Training – for Norfolk County Council".
