

## **SIAMS Inspection November 2014**

**We are pleased to inform parents of our very successful Statutory Inspection of Anglican and Methodist Schools (SIAMS) inspection. As a Church of England School our ethos, teaching of RE and Collective Worship is regularly inspected.**

**We are delighted that the inspector judged our Ethos and Leadership and Management of a C of E School to be Outstanding; we are also pleased with the Good judgements on the impact of Collective Worship and effectiveness of religious education.**

Teresa Osborne  
Headteacher

***"This is as a result of teaching which is consistently good and sometimes outstanding, and the Christian values which the school emphasises."***

***"The RE curriculum enables pupils to acquire a sound knowledge of the Christian faith."***

***"The subject leader is well informed and capable, despite only being in the role formally from the start of this term."***
