

Class One - Summer Letter

Dear Children and Parents,

Welcome back!

Our starting topic this term will be **The World**.

Thank you very much for all of the photographs and postcards that have been sent in, we intend to display these in the classroom very soon. To encourage the children to think about different countries around the world our role-play area has been changed into a travel agents and the children have already enjoyed sharing their experiences of going on holiday. If any parents or carers have any experiences or skills they would like to share with the class in relation to this topic please speak with a member of staff from class one. As usual we will also be following other interests that children have over the next term.

- Trips

We are organising a KS1 trip on Monday 20th June to the Dinosaur Adventure Park. If anyone is available to help with this trip please inform a member of staff. There will be more information to follow at a later date.

- Weather protection

Please remember items such as hats (named), skin cream (applied before school please). Also coats etc., if it is still cold! Could all children also bring a pair of wellie boots at school so that they can play in the mud kitchen.

- Water bottles are needed every day!

- Reading

The children are making great progress with their reading. Please continue to expose your child to books and reading as much as possible to stimulate their imagination and develop their vocabulary for story writing later in their school life. We expect children to be reading at home with an adult at least 3 - 5 times a week.

- Den building

We are in the process of developing our outdoor area and have decided to put together a den building box. We would be very grateful of any den building materials you may have spare at home such as blankets, nets, sheets, pegs etc.

As usual, do come and see me if you have any concerns.

Warmest regards,

Michaela Larter
