

Skylark Class Curriculum Letter Summer 2018

Welcome back to school, I hope you all had a lovely break over Easter and are looking forward to the summer term. In the Spring term, the children did incredibly well to cope with the upheaval of moving to the library and made a really conscious effort not to let it affect their learning. However, I think I can safely say we are all relieved to be back in our lovely new classroom!

Our topic this term is **Victorians** which gives us plenty of opportunity to **really get to grips with British History**. We will also be using this topic to further our geographical knowledge, **looking at land use across the country and how that has changed over time**. In English, we will be consolidating our learning of all the different techniques we have learned in Year 3 as well as enjoying a **Victorian style murder mystery** to help us develop our inference skills. In Maths, we will be looking at more practical areas such as finding **fractions of amounts, time, measuring angles and measuring mass and capacity**.

French- In French, Madame Brown will be teaching the children all things to do with shops.

RE- Mrs Osborne will be leading the children in an investigation of the Hindu belief that there is one god with many different forms.

PE- P.E. will continue to be on Tuesday mornings. Mr Colbeck plans to put the children through their paces in cricket and athletics this term. So, please could you make sure your child is provided with suitable outdoor P.E. kit.

Swimming- Swimming will begin on Tuesday 24th April and take place in the afternoon. Mrs Stuart and Mrs Blazer will take the children in the mini bus.

Homework- Homework this term will continue as before. **Spelling and Maths** will be set on **alternate weeks**, starting with **spelling on Wednesday 18th April**. Hopefully any technical issues on MyMaths have been resolved and the children should be able to complete tasks easily. Reading homework will be set after their guided reading sessions. **If you have any questions or concerns about this please feel free to come and speak to me before or after school.**
