All resources will be provided by event organisers although children must bring:

Drinks - Snack – Lunch - A large container for food creations and appropriate clothing for sport and craft activities.

Craft activities

This part of the day will focus on a variety of activities.

The children will be able to design, make, decorate and colour from a choice of many resources.

Food based activity

During this activity the children will have the opportunity to design and make numerous Christmas related goodies (no cooking appliances will be used by the children).

Gymnastics

The children will learn skills through artistic and acrobatic gymnastics. They will work in pairs, trios and as a group while holding or lifting one another.

We will all be learning a group routine so that we can show off to all of our parents.

We ask that you arrive by 2.45pm so that we can begin our show for you.
