

25th May 2018

Dear Year 5 and 6 Parents

It's nearly time for our Summer BBQ! Each year we try to think of something different to offer the children, young & old to keep them entertained!

We would love to see some of Year 5 & 6 children getting involved with running their own stall, and joining in with fundraising for the school - we are asking for your support in helping your child to create an activity that they can run on the evening of the BBQ. If the children work in small groups to run an activity it should give everyone a chance to enjoy some free time at the BBQ as well. 😊

We are looking for as many creative ideas as possible, these could include :

- Hair Braiding
- Nail Painting
- Temporary tattoos
- Snail racing?!
- Guess the sweets in the jar
- Mini assault course using school equipment
- Circus skills?!
- Human fruit machine
- Hook a duck
- Target shoot out (Nerf Guns)
- Story Telling Tent/corner
- Scavenger Hunt around the grounds with a prize for completed entries
- Pick a stick

That's just a handful of ideas!

As a reminder the BBQ is Friday 22nd June 5.30pm - 8pm.

When your child has decided what they would like to do on the evening please drop a note into the school office so we can make sure that we have places and tables set out on the night.

Thank you in advance.

The Friends of Alpington & Bergh Apton CofE VA Primary School
