If you are unable to make this event, please still complete the link as you will have the opportunity to leave your details and we will contact you to arrange an alternative date and time.

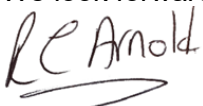

Choosing a school where your child will spend the next five years of their life can be difficult. There are lots of things that you need to consider.

Framingham Earl High School, affectionally known as Fram, is part of the Sapientia Education Trust and has a well-established reputation for high-quality education. We continue to be one of the highest performing schools in the local area and have a clear focus on quality teaching. Our belief for all is that 'Anything's Possible' and this is underpinned by our values of Be Creative, Respect Each Other, Be Heard, Enjoy and Achieve, Dream Big and Be Positive. We have a simple expectation in our community – *Work Hard and Be Kind* – this leads to a well-ordered environment where we all can excel.

We want Fram pupils to look back at school as more than a set of academic qualifications. Our desire is to equip every child with the necessary skills to flourish as they continue with their journey through education and into the world beyond. We are proud to be a nurturing environment with a strong pastoral and guidance team. We aim to provide each young person with a broad and balanced curriculum and range of opportunities via our FramExtra provision. We celebrate the arts, sport, languages and creativity. We offer a range of trips, clubs and visiting speakers. We place a high value on student leadership with roles such as Headteacher's Council, School Council Reps and Anti-Bullying Ambassadors. There really is something for everyone!

We look forward to meeting you.

Mrs Becky Arnold
Headteacher
