

Maths

Mathematics

We will:

- Learn about fractions of a shape and a number
- Weight and measure things using a range of resources
- Identify different coins and notes when handling money
- Make total amounts
- Understand place value

Science

Understanding the World

We will:

- Identify things that are alive, dead and have never been alive.
- Name and identify a variety of plants
- Find out about the structure and life cycle of flowering plants.
- Sort food by the part of the plant it comes from.

Computing

We will:

- Learn how to keep ourselves safe online
- Talk about who we can tell if we feel uncomfortable.

Religious Education

We will:

- Find out how Jews celebrate Passover
- Find out why people have different ideas about God

Music

Expressive Arts and Design

We will:

- Improvise to music
- Sing in unison with others
- Clap or move to keep a steady beat

Geography

Understanding the world

We will:

- Use and create maps
- Begin to use and understand the points on a compass
- Compare two places
- Investigate the seasons

Art/Design Technology

Expressive Arts and Design

We will:

- Explore the work of Henry Matisse.
- Sketch facial features.
- Learn different ways to make marks on clay.
- Experiment with changing the shape of things.
- Sculpt a 3D model out of clay.

RSHE

Personal, Social and Emotional Development

We will:

- Talk about friendships and how to co-operate
- Talk about how we grow and change from being a baby
- Think about which parts of our bodies are private (NSPCC PANTS song)

English

Communication and Language

We will:

- Role play stories, historical events, and scientific processes.
- Learn, discuss and begin to use new vocabulary
- Join in with topic based discussions and conversations

Literacy

We will:

- Read, listen to and retell stories about giants
- Write for a range purposes
- Begin to understand and use punctuation
- Use phonics and spelling patterns we have learned
