

Little Gnomies Forest School

Holiday club

Your child will enjoy an exciting wild school holiday experience with us. The days are packed full of opportunities to develop several skills such as fire building and starting, tree climbing, whipping up mud kitchen delights, cooking and enjoying food made on an open fire, going on bug hunts, digging in mud pits, painting with natural resources, resting in hammocks, using real tools, having the choice to join in yoga in our roundhouse, play with friends between the trees and much much more!

We are child centred, and each day is very different as every child brings their own ideas and knowledge to the woods, leading us down all sorts of fun and unknown play paths.

Open Monday to Thursday throughout the school holidays

Short day 9.00am-15.00pm £35

Full day 8.00am-17.30pm £55
