Following the success of our summer groups, we are delighted to be offering two Stay & Play sessions led by our experienced Speech and Language Therapists:

Wednesday 28th October & Thursday 29th October
10:00am - 11:30am

These small-group sessions are designed to support children's **speech, language and communication skills** through fun, interactive, play-based activities. Parents and carers join their child and have the opportunity to observe strategies, ask questions and receive practical advice to support communication skills.

Families can attend one or both sessions, depending on what works best for them.

£35 per child- one sibling can attend free of charge.

Families who receive Norfolk County Council Short Breaks funding can also use their funding to book these sessions.

The sessions take place at our dedicated clinic in the beautiful grounds of Norwich Cathedral.
